

LETTER OF ANNOUNCEMENT
EU Hub Release 1.6 IQE confirmation and technical documentation

18th October 2019

Dear all,

EMVO can now officially announce that EU Hub Release 1.6 has been successfully deployed to the Integrated Quality Environment (IQE).

In addition, the finalised technical documentation associated with the Release 1.6 has now been made available in the Technical Information Pack on the OBP Portal.

EMVO has previously announced the full functionality changes related to this release of the EU Hub; for further information on these changes please see our Letter of Announcement from [10th September](#). We will also communicate regarding deployment date to Production Environment (PRD) in good time.
